EDITOR'S NOTE

Every year, Kranti Diwas reminds us of the courage of countless Indians who dared to dream of a free nation. The revolution they began was not merely a fight against foreign rule—it was a powerful reminder that when something is wrong, silence should never be our answer.

Miss. Ruchi Chandwani
Editor-in-Chief

Today, our battles may be different, but our responsibility remains the same.

Patriotism is not confined to history books or national holidays; it is reflected in the choices we make every day. It lies in staying informed, standing up against injustice, respecting one another, protecting our environment, and placing the nation's welfare above personal convenience.

Real change does not always begin with grand gestures. It begins with simple acts—refusing to litter, following rules, helping those around us, conserving resources, and being responsible citizens.

Most importantly, it begins by letting go of the thought, "What difference can one person make?" After all, every revolution in history started with individuals who believed that one voice, one action, and one step could inspire many more.

The future of our nation is not written by a few extraordinary people—it is shaped every day by ordinary citizens who choose to do what is right. Let us be those citizens.

KRANTI DIVAS

The spark that ignited a nation.

Kranti Divas, also known as August Kranti Day, is observed every year on 9th August to commemorate the launch of the Quit India Movement in 1942 under the leadership of Mahatma Gandhi. This historic movement became a defining moment in India's freedom struggle, as millions of Indians rose above differences of religion, caste, language, and region to unite with one dream—to free the nation from British rule. Mahatma Gandhi's powerful call of "Do or Die" ignited a spirit of courage, sacrifice, and unwavering determination across the country. Countless freedom fighters, both known and unknown, endured imprisonment, hardships, and even gave their lives so that future generations could live in an independent India.

Kranti Divas is not merely a remembrance of the past; it is a reminder of the immense responsibility that comes with freedom. It inspires every citizen, especially the youth, to uphold the ideals of unity, equality, democracy, and justice while working towards the progress and development of our nation. As we honour the legacy of our brave freedom fighters, let us pledge to be responsible citizens and contribute to building a stronger, more prosperous, and united India.

Jai Hind!

TEACHER'S TALK

जीवन में हम सभी कभी न कभी एक ऐसा बीज बोते हैं, जिसे दुनिया शायद देख नहीं पाती।
वह बीज हमारे सपनों का, विश्वास का, संघर्ष का और उम्मीद का होता है।
कठिन परिस्थितियाँ उसे तोड़ने की कोशिश करती हैं, लेकिन धैर्य और आत्मबल उसे फिर से अंकुरित कर देते हैं।
मेरी यह कविता उसी अदृश्य बीज की कहानी है, जो हर नारी के भीतर जीवित रहता है।
आइए, इसी भावना के साथ प्रस्तुत है मेरी स्वरचित कविता —
'मैंने एक बीज था बोया।'

सुश्री भारती गौर

मैंने एक बीज था बोया

मैंने एक बीज बोया मिट्टी में नहीं,
अपने ही हृदय की दरारों में,
वो बीज जब पौधा बना,
हर पत्ती में मेरी ही सॉस थी धड़कती
उसका अस्तित्व - मेरी भावनाओं का विस्तार था,
मैं रोज़ देखती थी,
हर छोटे बदलाव को,
जैसे माँ अपने बच्चे की आँखों में अपना ही
भविष्य है पढ़ती।
जब कीड़े लगे-तो सिर्फ पत्ते नहीं खाए गए,
मेरी जड़ों तक था दर्द उतरा।
जड़ें वही होती हैं -
जहाँ सबसे ज्यादा होता है विश्वास दबा।
जब फूल खिले-तो सिर्फ रंग नहीं आए,
मेरे टूटे हुए सपनों को पंख मिल गए।
तितलियाँ आई - जैसे मेरी खामोशी को आवाज़ मिल गई।

नारी जीवन भर करती अपनी संवेदना से ही,
सृष्टि का निर्माण।
कभी शांति से, तो कभी क्रांती से।
सीखती है बीज को जितना गहरा दफनाया जाता,
जड़े उसकी उतनी मजबूत होती है,
मैंने फिर वही बीज उठाया,
इस बार आँसुओं की नमी से सींचा,
धैर्य की धूप दी, आत्मविश्वास की हवा,
उम्मीद की खाद से उसे पोषित किया।
अब वो पौधा फिर से हरा-भरा है, सिर्फ मेरा नहीं,
उन सबके लिए छाया बनेगा,
जो टूटकर भी जीना सीखते हैं,
चलते-चलते किसी और के लिए राह बनते हैं।
मैंने एक बीज बोया था...
और आज वह एक बगिया बन गया,
मेरे भीतर ही, मेरी मुस्कान में, मेरी पहचान में।

The Cry of 'Do Or Die'

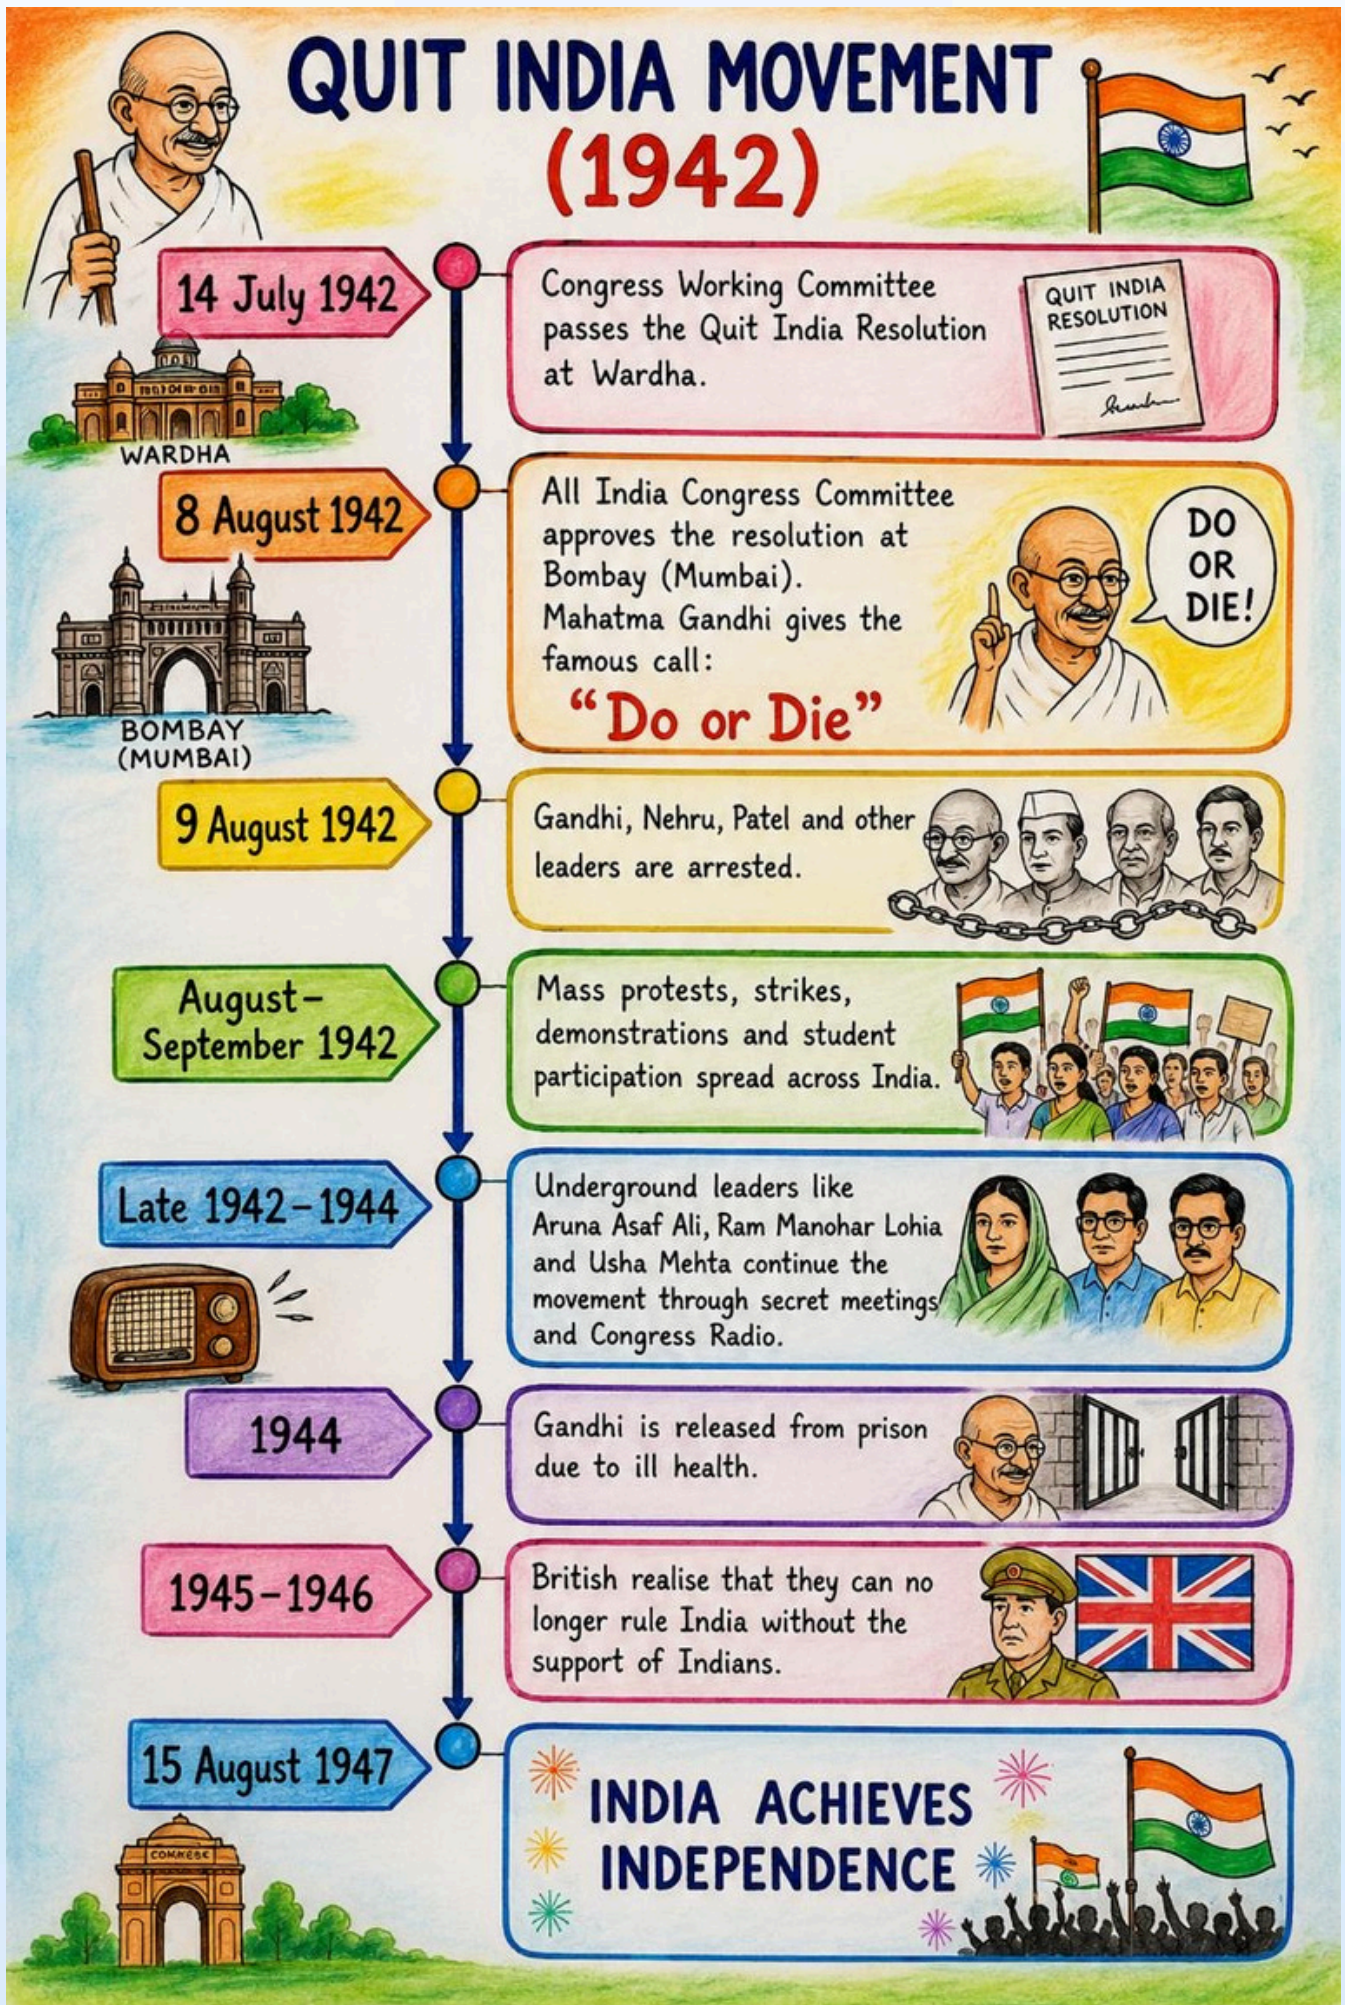

QUIT INDIA MOVEMENT

The Quit India Movement, launched on 9th August 1942 by Mahatma Gandhi during the Bombay Session of the Indian National Congress, was one of the most powerful and decisive movements in India's struggle for independence. With his unforgettable call of "Do or Die," Gandhi urged every Indian to stand united and demand an immediate end to British rule. This movement witnessed unprecedented participation from people across the country, including students, farmers, workers, women, and freedom fighters, who put aside all differences and joined hands for the common cause of freedom. Although the British government responded with mass arrests, censorship, and severe repression, the spirit of the movement could not be crushed. Thousands of courageous men and women willingly faced imprisonment, torture, and even sacrificed their lives, proving that the desire for freedom was stronger than fear. The Quit India Movement became a turning point in India's freedom struggle, as it demonstrated the unwavering determination and unity of the Indian people. It sent a powerful message to the British that India would no longer accept colonial rule and strengthened the foundation for the country's eventual independence in 1947. Today, the movement stands as a timeless symbol of courage, patriotism, and selfless sacrifice. It reminds us that freedom was earned through immense struggle and that it is our duty to preserve it by being responsible, honest, and dedicated citizens. As we remember the heroes who fought fearlessly for our nation, let us draw inspiration from their ideals and work together to build a stronger, more united, and progressive India.

ALUMNI REFLECTIONS

MAST .AARADHYA MESHRAM

Leaving school was not just the end of a chapter it was the beginning of a journey filled with dreams, responsibilities, and endless possibilities. At first it felt strange not walking through the familiar corridors, hearing the morning bell, or laughing with friends during recess. It made me realize that school was never just a building. It was a place that became a second home.

As I stepped into a new phase of life I understood that success is not only measured by marks but by the values we carry with us. My school taught me to believe in myself, to face challenges with courage, to respect others, and to never stop learning.

Life after school has introduced me to new opportunities, different people, and bigger responsibilities. Every experience has helped me grow stronger, more confident, and more determined to achieve my goals.

Whenever I look back I don't just remember classrooms or textbooks I remember the smiles, the encouragement, the friendships, the competitions, the celebrations, and the teachers who believed in me even when I doubted myself. Those memories are treasures that I will carry throughout my life.

To every teacher who inspired me, every friend who stood beside me, and every moment that shaped me thank you. Your influence will always remain a part of who I am.

As I continue chasing my dreams I hope to make my school proud by living with honesty, compassion, and perseverance. No matter where life takes me I will always remember where my journey truly began.

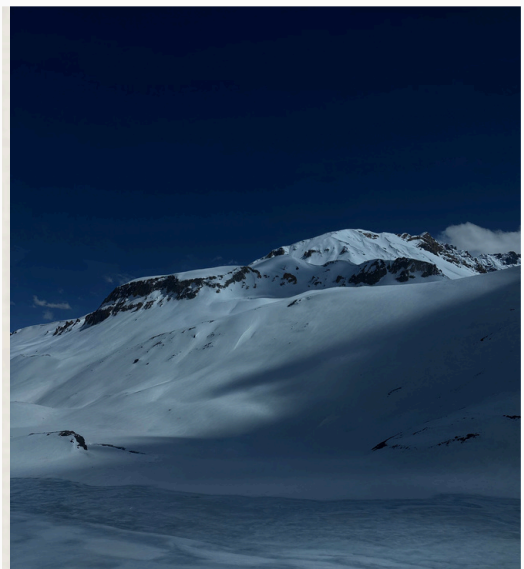

Once a Bhavanite, always a proud Bhavanite.

The Real Meaning of Patriotism

Patriotism is the love and respect we have for our country. It is shown not only by words but also through our daily actions. We can express our patriotism by being honest, disciplined, and responsible citizens.

India is a land of different cultures, languages, and traditions. Even with so much diversity, we stand together as one nation. This unity is our greatest strength and something every Indian should be proud of.

As students, we can contribute by studying well, protecting the environment, respecting our teachers, and helping those in need. These simple habits help build a better society.

Our country has achieved success in science, sports, technology, and many other fields. It is now our responsibility to continue this journey and make India even stronger in the future.

Patriotism - More Than Just a Feeling

Whenever I hear our National Anthem, I feel proud to be an Indian. Patriotism is not only about celebrating Independence Day or Republic Day. It is about loving our country every day through our actions.

Many people think patriotism means joining the Army, but every citizen can serve the nation. Students can study sincerely, respect public property, keep their surroundings clean, and help others. Small acts of honesty and kindness make our country stronger.

Our freedom fighters sacrificed their lives so that we could live in a free nation. Their courage reminds us that we should value our freedom and work hard to make India a better place.

A true patriot is someone who respects the nation, follows the law, and contributes positively to society. If each one of us performs our duties responsibly, our country will continue to grow and shine.

VERSES OF VALOR

Our Brave Soldiers

**When we sleep so peacefully,
Our soldiers stand awake.
They guard our land with courage,
For our future and our sake.**

**They miss their homes and families,
Yet never turn away.
They smile through every challenge,
To keep us safe each day.**

**Dear soldiers, we salute you,
For all you sacrifice.
Your bravery inspires us,
And your love is beyond price.**

**Miss. Somya Veerwani

The Tricolour

**The Tricolour flies with honour,
Above our land so free.
It fills our hearts with happiness,
And love for our country.**

**Saffron teaches courage,
White teaches peace each day.
Green brings hope and happiness,
To guide us on our way.**

**The Ashoka Chakra keeps us moving,
Forward, brave, and strong.
Together we'll make India proud,
Where every heart belongs.**

VERSES OF VALOR

A Child's Promise

**I may still be very young,
With many things to learn.
But I know my little actions,
Can make a big return.**

**I'll keep my school and streets so clean,
And help those all around.
I'll speak with love and honesty,
Where kindness can be found.**

**One day I'll serve my country,
In whatever way I can.
I'll always make my India proud,
As part of its great plan.**

**Mast. Abhinav Shankar

India Is My Home

**India is my lovely home,
Where many cultures meet.
Different languages and festivals,
Make our nation complete.**

**We laugh together, learn together,
And help each other grow.
Our unity is our greatest strength,
More precious than we know.**

**With respect, love, and hard work,
We'll make our future bright.
India will always shine with pride,
Like a star of golden light.**

CAMPUS CHRONICLES

Bhavan's B. P. Vidya Mandir, Koradi Road, celebrated a proud and momentous occasion with the conduct of its prestigious Student Council Investiture Ceremony for the academic session 2026–27. The event marked a significant milestone in the school's ongoing commitment to nurturing leadership, responsibility, and democratic values among its students.

The Council's formation was carried out through democratic voting election system. In the days leading up to the ceremony, candidates aspiring for various council posts actively campaigned across the school, sharing their beliefs, ideas, and vision for a brighter future for the institution. Through speeches, interactions, and campaign initiatives, the aspiring leaders sought to earn the trust and confidence of their peers, presenting their plans to serve the school with sincerity and purpose. Following a free and fair electoral process, the students of the school exercised their voting rights to elect their representatives, ensuring that the newly formed council was a true reflection of the student body's collective choice. This exercise not only instilled a sense of civic responsibility among the students but also gave them first hand experience of democratic participation, decision-making, and the values of fairness and transparency.

Following the successful conclusion of the elections, the school proceeded with the formal Investiture Ceremony, witnessing the appointment of the newly elected Student Council members. In a moment of pride and honour, Miss Kritika Singh and Mast Rudransh Rote of Class X were administered the oath of office as the School Captains for the academic year, having earned this responsibility through the trust placed in them by their peers.

Alongside the School Captains, several other students from Classes IX and X were entrusted with key leadership positions, including School Vice-Captains, Discipline In-charges, Assembly In-charges, Cultural In-charges, Cleanliness In-charges, and First Aid In-charges. Furthering the spirit of house-level leadership, House Captains and Vice-Captains — Senior (Classes IX & X) and Junior (Classes IV & V) — were also formally sworn in to lead the four school houses, reinforcing the institution's robust student leadership framework.

Addressing the gathering, the Principal, Ms. Sarbani Bose, extended her heartfelt congratulations to the newly inducted council members. She reminded the young leaders that leadership is earned through trust, selfless service, and consistent action. She further inspired them to become the guiding force for their peers, to strengthen the school's collective spirit, and to transform challenges into opportunities for growth throughout the academic year. The programme was efficiently coordinated by CCA In-charge Smt. Deepali Nandurkar and Assistant In-charge Ms. Pooja Nishad, whose meticulous planning ensured the smooth execution of the ceremony from the electoral process to the final oath-taking.

The event was confidently compered by Shri Clive Joseph and Ms. Trupti Arland, whose engaging anchoring added grace and vibrancy to the occasion, keeping the audience captivated throughout the proceedings. The Investiture Ceremony concluded on a note of solemn commitment, with the newly elected Student Council pledging to uphold the responsibilities entrusted to them with sincerity and dedication. Having been chosen through a genuine democratic process, the council members expressed their resolve to serve as true representatives of the student community — fostering unity, discipline, and excellence across the school.

The ceremony stood as a shining example of how democratic values and student leadership can be woven together, empowering young minds to lead with responsibility while learning the true essence of representative governance.

BOOK REVIEW

Wings of Fire by Dr. A.P.J. Abdul Kalam

Wings of Fire is the inspiring autobiography of Dr. A.P.J. Abdul Kalam, one of India's greatest scientists and former President. The book describes his journey from a small town to becoming the "Missile Man of India."

The book teaches us that hard work, honesty, and determination can help us achieve our dreams. Dr. Kalam's love for India and his dedication to serving the nation make him a true patriot.

I enjoyed reading this book because it motivated me to believe in myself. It is an excellent book for young readers who want to dream big and work hard.

Kargil: Turning the Tide by Lt. Gen. Mohinder Puri

Kargil: Turning the Tide gives a detailed account of the Kargil War fought in 1999. The author explains how Indian soldiers showed extraordinary bravery while protecting our country's borders.

While reading the book, I felt proud of our soldiers and their sacrifices. The real stories of courage made me realise that our freedom comes at a great cost. I recommend this book to students because it increases our respect for the Indian Armed Forces and teaches us the true meaning of patriotism.

The Brave: Param Vir Chakra Stories

The Brave is a collection of inspiring stories about the winners of India's highest military award, the Param Vir Chakra. Each chapter introduces a brave soldier who displayed exceptional courage in difficult situations.

The stories are easy to understand and filled with inspiring moments. I especially liked learning about the soldiers who put the safety of the nation before their own lives.

This book made me appreciate the sacrifices made by our armed forces. I think every student should read it to understand the importance of courage, duty, and love for our country.

INDIA TODAY

India today stands as a nation of resilience, innovation, and endless possibility. From remarkable achievements in science, technology, space exploration, sports, and global diplomacy to the energy and creativity of its young minds, our country continues to move forward with confidence and purpose.

Yet, true progress is measured not only by milestones but also by the values we uphold. As citizens, we must remain informed, responsible, and willing to speak up against injustice, inequality, and ignorance. Patriotism is not simply about celebrating our nation's successes—it is about contributing to them through honesty, compassion, and everyday acts of responsibility.

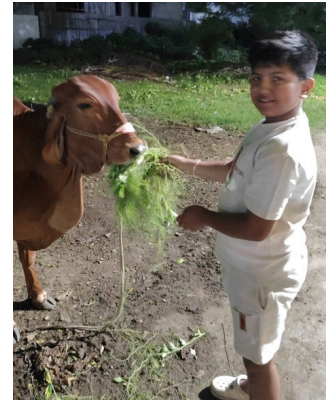

The youth of India have become powerful agents of change. With awareness, determination, and a strong sense of social responsibility, they are proving that they are ready to lead the nation towards a brighter future. Whether through innovation, community service, environmental action, or raising their voices for meaningful causes, they remind us that change begins with those who dare to care.

As we remember the spirit of Kranti Diwas, let us carry forward its message in today's world. The revolution our country needs now is one of integrity, awareness, unity, and action. Together, let us build an India that is not only stronger and more prosperous but also kinder, cleaner, and more united.

The India of tomorrow begins with the choices we make today.

HANDS THAT SERVE

★ Helping Hands ★

A Heart That Cares - Krit Hiranwar

Kindness begins with small acts of love, and Krit Hiranwar truly believes in making a difference. As part of his social outreach, Krit visited Sir Kasturchand Daga Bal Sadan, Kamptee, where he spent meaningful time with the children. His visit brought smiles, warmth, and happiness as he interacted with them and shared moments of care and compassion.

Krit's kindness extends beyond people. He is also a passionate animal lover who regularly feeds stray dogs, birds, and other animals in his neighbourhood. He believes that every living being deserves love, care, and a full stomach.

Through his thoughtful actions, Krit reminds us that helping others does not always require grand gestures. A kind word, a helping hand, or a meal shared with someone in need can brighten a life. His compassion inspires us all to become more caring and responsible members of society.

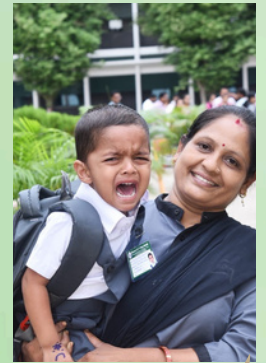

"The smallest act of kindness is worth more than the grandest intention." 

PRESENT STARS, FUTURE SUPERSTARS

The Little Wonders of Bal Mandir

Every remarkable journey begins with a single step, and every great dream starts with a curious young mind. This section celebrates the joyful world of our youngest learners, where every smile, every sketch, every colour, and every tiny achievement tells a story of growth. Whether they are enthusiastically drawing, participating in Eco Utsav, exploring new ideas through fun-filled activities, or experiencing the emotions of their very first day at school, each moment becomes a cherished memory.

These little hands are learning to create, discover, and dream. Their laughter fills our classrooms with happiness, their curiosity inspires us to see the world with fresh eyes, and their determination reminds us that every expert was once a beginner. Behind every tear shed on the first day of school lies the courage to embrace a new beginning, and behind every colourful drawing lies an imagination waiting to soar.

Today, they are the bright stars of our classrooms; tomorrow, they will be the superstars who shape our future. As we celebrate these precious moments, we also celebrate the limitless potential, innocence, and dreams that make every child truly extraordinary.
